The election yesterday for municipal officers and members of the City Council resulted disastrously for the Republicans. The Damocrate, with the assistance of the Scabright-Smith Aid Society which posed as the "Citizens' Ticket," elected Charles W. Senbright Mayor and Porter Smith City Sergeant. There is a speciacle for the gods! The bunimor's candidates were elected by the votes of men who professed to be desirous of securing good governnent, and the men who call themselves temperance men have saddled on the city or two years free beer selling on Sunday, mmunity for gambling dens and resorts

The Republicans have four and the Damocrats four members of the First Branch who hold over. Of the eight new members the Republicans elect 5 and the Damocrats 3, making the Branch 9 to 7, a better majority of 9. In the Second Republican majority of 2. In the Second Brauch the Republicans elect 15 and the Democrate 13, a majority of 2 in this Branch also, a majority of 40 joint ballot. The majorities are as follows:

The best medical writers claim that the successful remedy for nasal catarrh must be non-irritating, easy of application and one that will by its own action reach all the remote sores and ulcerated surfaces. The history of the efforts to treat catarrh during the past few years obliges us-to admit that only one romedy has completely met those conditions, and that is Ely's Cream Balm.
